## How does Medicaid impact real estate ownership and transfer?

This course is designed to provide real estate professionals with the knowledge to understand the Medicaid look-back period, the effect of giving away property or adding joint owners to property, estate recovery, and other key Medicaid concepts. If you work with seniors or have had any issues with clients selling property to pay for the cost of a nursing home, this course will explain the Medicaid rules and provide useful tools so that you can help your clients.
