

A project by Douglas/Elbert REALTOR® Association

The Douglas Elbert REALTOR® Association is gearing up for our 2012 Helping Hands community outreach program. We are looking for non-profit organizations in need of improvements such as yard work, painting, and small construction projects that do not require permits at their facility. REALTORS®, volunteers and professionals with various skills and talents will perform the needed improvements.

One of our past recipients was Sky Cliff Center, an adult Day Care and stroke support group. Here is what they had to say about the project.

On behalf of the participants, staff and board of directors of the Sky Cliff Adult Day Care and Stroke Center I thank you and all the individuals that participated in and/or donated to the Helping Hands Work Project. The work completed is truly beyond words of appreciation, but is reflected in the smiles and hearts of our participants and staff. The Sky Cliff Center was blessed by the outpouring of support from the Douglas Elbert REALTOR® Association.

If you know of an organization that would benefit from this program, please pass along the enclosed application to the appropriate person representing the organization. The application can also be found on our website at www.derarealtors.com. All applications need to be received by February 29, 2012. The recipient will be chosen on March 2, 2012, and the project will take place July 27th and 28th.

Please submit all completed applications by email to info@derarealtors.com, fax to DERA at 303-688-6053 or mail to the Douglas Elbert REALTOR® Association at 840 Kinner St., Castle Rock, CO 80109.
