REALTOR FEEDBACK:

"I didn't know how valuable MongoFAX was until I tried it out for myself. Now, I rely on MongoFAX almost every day to send faxes to e-mail addresses. Once you try it, you'll use it on almost every transaction and wonder why you didn't use it until now! It's great to see such a tangible benefit from CAR. Many agents don't participate with enough REALTOR® activities to understand most of the benefits. This is one that they can use everyday and it makes an immediate impression. Thank you MongoFAX, for working with CAR Technology for putting this benefit package together." - Dick Crook, PMS, CAR Director
